Letter From the Director

Carol Leo

As I watched the scenes of human deprivation from the aftermath of Katrina, it was a though scenes from our local homeless shelters were enlarged, magnified, and multiplied thousands of times over. The harsh realities were many times worse than what our local shelter residents experience and the sheer numbers of people were many times higher.

There is no way for humankind to handle a problem this momentous. It is time for all believing Americans to turn to the Lord and pray. When evil has been, not only tolerated, but officially sanctioned for so long in our nation, the judgment of God is imminent. It is time to cry out to God in repentance; to weep and to mourn.

Righteousness exalteth a nation, but sin is a reproach to any people. Proverbs 14:34.

As the number of homeless people continues in its steady incline, that began in the 1970's, this new infusion of hundreds of thousands of homeless citizens into the streets of our cities can only mean that life in America can no longer be "business as usual." It is time to seek God and pray and pray some more. The judgments of God are not limited to one area of the country.

If my people which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven and will forgive their sin and will heal their land." II Chronicles 7:14.

As the Washington, D.C. area receives 400 refugees from the Katrina disaster, the Homeless Outreach, Inc. is a tool that the Lord can use in any way He chooses to minister health and hope into the lives of these flood victims. If any special developments arise, a special bulletin will be sent out to inform everyone of our plans.

Thank you for your overwhelming care and support of this or-

Summer Cookout 2005

Shelter residents enjoyed the picture perfect day at Cosca Regional Park at our annual summer cookout on June 26. Mothers enjoyed socializing, while children took off for the excitement of the huge playground. The trees, sunshine and fresh air were a healthy experience for those who have been cooped up in shelters.

Bertha & Charles Fenwick and helpers prepared enough food for the 300 guests. Dennis Sydney, the DJ provided contemporary Christian music all afternoon.

At least 6 women came forward to receive Christ.

Back to School 2005

The Homeless Outreach had three separate Back-to-School events this year. We distributed over 250 backpacks of school supplies and over 100 bags of hygiene articles for the mothers. The photos below are from our Sept. 21 event held at St. Stephens Episcopal Church in N.W. Washington, D.C.

Over 150 children and parents crowded into the St. Stephens auditorium to receive the ministry in song, prayer, message, food and school supplies. (left)

Children lined up by grade at dismissal and received out of the abundance of supplies that the generous donations had provided. (right)

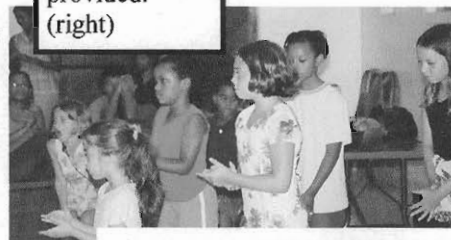

Volunteers from several local churches and businesses helped serve and minister to the shelter families. Over 25 people from Victory Chapel in Accokeek, MD were present to assist. (left)

D.C. Village Back-to-School

On Sunday, Aug. 21 at D.C. Village in SW Washington, D.C., a team of workers from National Church of God brought blessings and the anointed Word of God to the residents. Children and parents gathered to hear the music of the Swann brothers. A team of NCOG youth led by Tara Lawton and James Cummings packed and distributed close to 100 back packs to children of all ages. Mothers received bags of hygiene articles. The Gideons were present to share testimonies and distribute New Testaments. The power of God's love charged the atmosphere and many individuals gave their hearts to Christ. Per Ms. Patricia Brown, Volunteer coordinator at D.C. Village: "This event was even more blessed than last year's." Thanks to all who participated.

Shepherd's Cove Back-to-School

On Friday, Aug. 19 at Shepherd's Cove Shelter in Seat Pleasant, MD Pastor Michael Haynesworth, Renee Hammond and Carol Leo took school supplies and the Gospel to 30 eager children and 20 parents. An informal program, consisting of songs in which the children enthusiastically participated, 2 stories illustrated with story boards presented by Pastor Mike and a testimony by Renee Hammonds was followed by a time of fellowship and refreshment and the distribution of backpacks and/or school boxes and supplies to all children from pre-K through high school. Since we had such a small crew, the mothers joined in and helped with set up, distribution and serving. All heads bowed to accept Christ as Savior and much gratitude was expressed by the shelter recipients. To God be the Glory!

THO (The Homeless Outreach) Grant

The Homeless Outreach, Inc., in conjunction with Community of Hope Shelter has formed a new program. We have committed to help several families a year with rental costs for their first six months of independence once they have left the shelter environment. The candidates to receive our grant money are those which the shelter recommends as individuals who are following instructions and making every effort to improve their situations and properly take care of their children. We give God praise for enabling us to reach out and lend support in this way.
