

# THE HOMELESS OUTREACH, INC.

## **In Loving Memory of Janet Rockymore (2021)**

Janet Rockymore Murray has been part of the Homeless Outreach ministry for a number of years.

Janet lovingly shared her culinary skills and knowledge of nutrition with the homeless through our organization.

Along with Bertha and Charles Fenwick, she was part of the core team for meal preparation at many annual outreach events such as the Christmas, Easter, and Back-to-School events. During these events, she served hundreds of homeless individuals and helped to ensure that the food was distributed safely and efficiently.

She also volunteered at and donated to the dinner service events held at UCAP Shepherd's Cove. At Shepherd's Cove, she held a workshop and shared a wealth of knowledge about the importance of proper nutrition and the practical ways to enhance family eating habits. The mothers and individuals who were in her workshop were very appreciative for her timely and practical advice. Janet included scriptural references and always shared these practical lessons in light of the biblical teachings about health, food, and nutrition.

We will greatly miss Janet and her kind support of our outreach events. We are thankful to the Lord that He allowed her to minister with us.
