

THE HOMELESS OUTREACH, INC.

In Loving Memory of Jim Boulet (2008)

With deep sadness, all those who work with The Homeless Outreach say a fond farewell to Jim Boulet. Jim has been a faithful friend and supporter of this ministry for many years.

For the last 15 years, Jim has used his photographic skills to photograph our outreach events, which in turn led to the publication of newsletters that encouraged other people to be involved with our ministry.

Jim also started a website for this ministry, www.thehomelessoutreach.org. With the creation of this website, our ministry was put on the map and many groups and individuals with something to share with the homeless have been put in touch with us. Jim not only provided this website, but became the webmaster and caused it to be an up-to-date source of information for all those who were involved with our ministry.

Jim also gave financial support, prayer support and moral support to those of us who direct this particular ministry.

Jim recently purchased a new vehicle, a PT Cruiser with plenty of room for hauling. Part of his motivation for obtaining this vehicle was to use it as a tool for hauling supplies for The Homeless Outreach.

He will be very greatly missed.

Jim's faithfulness to reach out and touch little lives who fell into the category of "least of these" in our society, has left a rich legacy on earth and is now producing an eternal reward.
